

Shaping Treuenbrietzen together!

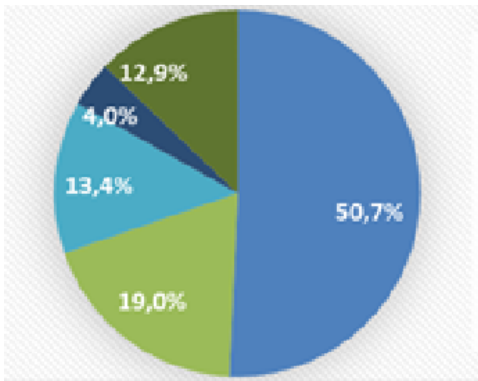

A section from the survey

What does civic involvement mean to you?

	To be well-informed about what is happening in our community
	To have the opportunity to share my opinions about various topics with other members of the community
	Participating in a survey to gather ideas about setting a course for the future of the community.
	Actively participate in the process with ideas.
	Actively contribute ideas and suggestions to policymakers

When is it particularly important to keep all stakeholders informed?

	when planning projects in the community
	when citizens want to share their ideas
	to resolve conflicts in the community
	None of them above
	It is not important for me.

How would you like to get involve?

	I do not want to get involved.
	I would like to be able to express my opinions to the city/town council before decisions are made. ASay my opinion in front of the city before they decided what to do.
	I would like to express my ideas for our city at any time
	I would like to be asked frequently about my opinion
	I Want to do work with others on a specific project.
	I got a different idea.
